It was difficult to got, a clear underkinding of the character of the difficulty. There was a conference between nearly all the blowers employed at this works and representatives of the Bottle Blowers' Union held at Torner hall Saturday afternoon. The men here have never belonged to the Usion herotore, and they say they did not join it Saturday, though they leave it to be inferred that the meeting was held with a yiew to their becoming members of the national organization. Saturday evening notices were posted in the works to the effect that all the employes who had been present at the conblittle excitement, not only among the en oyes, but among workingmen cenerally. The agreement arrived at last evening ies, but among the agreement arrived at last eventually the which the men will return to work a morning, was that the comrany should the wages adopted by the National Bot-Blowers' Haion. ### BOARD OF COMMISSIONERS. Regular Konthly Meeting-Stein Cas

The regular monthly meeting of the Board of Commissioners was held yesterday. The principal question considered was the report of the special committee appointed to invest of the special committee appointed to it estimate the charges against Commissioner Stein, of Washington district, in connection with his caosing the admits on to the Infirmary of supposed illegitimate child, his receiving \$25 for the same, and his refusal to make known the identity of the parties responsible for the child's support. The committee's report was as follows: THE COMMITTEE'S REPORT.

committee do ribin misconduct, neglect of duty or incompetence as to warrant an application to the Circuit Count for the removal of Commissioner. Blein, or requiring other steps in that direction to be taken, "While your committee bare come to the above consideration, it further reports that Mr. Stein granted a permit for the admission of the child. Mary Becker, to the County Inforcery without making any examination into the circuit and the child sparents or the propriety of acquiting it to the informary; and in this respect Mr. Stein was, in the opinion of your committee, very care essate indispreet.

"Your committee further find that Mr Stein received a sun of money, supposed to be \$35. from the person who applied for such permit. He reported the receipt of that our to the superintentendent of the infirmary as soon as possible, and the committee believe that he had no intention of converting the money to his own use, but intended to pay it over to the county.
